

HOW TO VISIT THE OVER THE MOUNTAIN STUDIO TOUR

- ▶ Look through the brochure or website images to decide which artisans and stops you'd like to see. Aim for demo times or wander at your own pace.
- ▶ Use the brochure map or the mobile map to guide you. Follow the bright red arrows on the "Studio Tour" signs.
- ▶ Visit at your leisure. Each stop has multiple artisans, live demonstrations, snacks, and much to see, so get out there and enjoy yourselves!

There is no cost for the maps and brochures, or to visit any or all of the 10 stops. This is a cooperative venture completely run by the member artisans, and a wonderful way to support your local creative economy.
